

Safety

IMOCO is committed to a zero accident work environment and to that end protecting the safety, welfare and health of our employees, is a fundamental objective of IMOCO and our full time safety director.

To ensure that we are up-to-date in all OSHA as well as local, state, and federal standards, IMOCO has instituted a comprehensive, pro-active safety program for all employees that begins with safety training for all new employees complimented by weekly training sessions.

In addition, all employees receive General Duty OSHA 10 or 30 compliance training as well as specialized OSHA compliance training in areas such as Crane operation, forklift training, and rigging.

IMOCO is a certified 100% drug free workplace.

IMOCO has a mod factor of .74.
